**The intended audience for the Parish Mission is the adult community ages 19 and older. It is for the on-going faith formation of adults and addresses adult themes and topics. Babysitting will be available.**

**This variety of insights from parishioners will help you recall some of the substance of Father's presentations and his repeated challenges to reflect Scriptures and respond to God's invitation.**

***□I thought the mission was fantastic. Father Simeon held everyone's interest and his talks were definitely mind and soul searching. It was what we all needed.□ Father K Smith***

***□I attended the morning talks and was quite impressed with Father Gallagher's style and delivery. His message was timely, practical and thought provoking. He should be invited for a return visit.□***
